Interest Areas: Real Estate Valuation and Finance

Company Name: Tax Advisors, PLLC

Position Title: Valuation Manager

Location: Vancouver, WA (outside of Portland, Oregon)

Compensation: Salary and bonus commensurate with education and experience. Compensation includes health, dental, vision and pension benefits.

Company Description: Our firm prepares valuation analyses for various types of commercial real estate throughout the United States for property tax appeal purposes. Our practice is comprised of all types of commercial real estate, including but not limited to hotels, senior living, timeshares, apartments, office buildings and retail centers

URL: www.taxadvisorscpa.com

Position Description:

Property tax consulting firm that works nationwide seeks a full-time Valuation Manager with appraisal or valuation experience to assist with property valuations and consultations. Duties include but are not limited to: preparation and review of valuation analyses utilizing income, market or cost approach to value; research and confirm data; negotiate appeal settlements with tax authorities; prepare and present evidence at county and state board hearings; communicate with clients. Two to three years appraisal experience desired. Familiarity with cost segregation studies helpful but not necessary. Must be able to handle multiple assignments, manage workflow to meet deadlines, think creatively and analytically, and work well with valuation and administration teams. Should possess intermediate to advanced Microsoft Excel skills and have familiarity with other MS Office programs and Adobe.
